EAGLE EYES

EAGLE EYES

Supports Delicate Eye Tissue

- Important for patients with macular degeneration and cataracts
- Targets patients with a family history of degenerative eye diseases
- Great for patients looking for a multi-dimensional eye vitamin
- All-natural, vitamin and herbal formula

Eagle Eyes contains a precise blend of herbs and vitamins that have been clinically studied in patients with diseases of the eye, including the macula (part of the retina), the cornea (the clear outer cap that covers the pupil and colored iris), and the lens (the focusing element).

Macular degeneration and cataracts are the leading causes of adult blindness worldwide.

Fortunately, both of these devastating diseases have both preventive and therapeutical strategies.

Most commercially available eye vitamin formulas contain doses of zinc that are too large and in a cheap formulation that...

LIVER CHAMP

Liver Champ

WHAT IT IS:

- Natural supplement to support liver function

WHY YOU NEED IT:

- Important for patients wanting to optimize liver metabolism of hormones, heavy metals, and toxins
- Replenishes vitamins lost when taking birth control pills
- Supports healthy homocysteine levels

Between what we inhale, swallow, and absorb through our skin, our livers are working overtime helping to clean our “dirty” blood. Liver detoxification uses a tremendous amount of vitamins and nutrients.

Over time, these nutrients are depleted, and this weakens the liver’s ability to clean and protect us. When well stocked with the nutrients in Liver Champ, the liver can perform its essential features, including reducing the chances of disease such as cancer.

Homocysteine is a molecule found in the blood that, when elevated, increases the risk for Age-Related Macular...

SPROUT SHIELD 2.0

Natural Cancer Fighting Chemical

Most abundant source of cancer fighting chemical
Superior anti-oxidant protection
Like eating fistful of broccoli sprouts
Fights macular degeneration

Everyone knows that eating cruciferous vegetables like broccoli are good for you. These vegetables pack natural chemicals that help us fight cancer, heart disease, arthritis, eye disease (like macular degeneration), high blood pressure, even *Helicobacter pylori* (the bacteria that causes stomach ulcers and stomach cancer).

Researchers at Johns Hopkins University School of Medicine discovered that the most power-packed cruciferous vegetable was the broccoli sprout, the tender 3 day old shoot that will eventually become a mature broccoli plant. These shoots are the most abundant source known of isothiocyanates, a natural chemical that over 200 clinical studies have shown to help the body fight...
